**About us?**

INOUT Hostel is a Special Center for Hotel and Catering Work opened on April 26, 2004 by Icària Iniciatives Socials, a non-profit organization.

INOUT Hostel is located in Barcelona, in its privileged natural park with a railway station (Zone 1) 300 meters up to the reception. It offers more than 250 beds in the regime of shared rooms of four, six, ten and fourteen people.

Share some objectives with the main companies in the tourism sector: offer the best customer service and generate a sufficient level of resources to obtain benefits, obtaining customer satisfaction scores above 80%.

INOUT HOSTEL is the first hospitality service in Europe where 90% of its staff is trained for workers with disabilities, mostly intellectual.

Restaurant Services

The restaurant has a wide range of its own cuisine. That is why we offer half board or full board in a self-service regime with traditional cuisine; You can also opt for a picnic to go. We can offer special food services: vegetarian, celiac ... From Monday to Friday we serve a menu of the day with three dishes to choose from: first, second and dessert, also includes appetizer, mineral water, wine and coffee. On weekends and holidays, we have a menu with eight dishes to choose from: first, second and dessert, also includes appetizer, mineral water, wine and coffee. Children’s menu. We have a select offer for banquets, celebrations or work lunches. For 24 hours you will find a cafeteria service with pizzas and lasagna.
Hosted Services

The INOUT Hostel with its team of people with disabilities is organized into departments: reception, restaurant, activities, cleaning and gardening, and maintenance to give the best service to the client, within a maximum respect for the Environment.

From the different Internet channels and on-line agencies, INOUT has the best daily offer for individuals and groups to be in the city and within the Natural Park of Barcelona.

The charm of the staff of INOUT and nature do the rest.

General Law on the Rights of Persons with Disabilities and their social inclusion ("EX-LISMI", 2% and Alternative Measures)

On the basis of the “EX-LISMI” (Law of Social Integration of the Disabled) we select candidates for companies with more than 50 workers.

- Bonus in Social Security fees.
- Subsidy for hiring.
- Tax relief in companies.
- Adaptation to the job and production equipment.

RD 1/2013 foresees two alternative measures to the hiring of personnel with disabilities:

1. Purchase of products and services to Special Work Centers

   - **CET Icaria Gráficas.** Sale of products and services of offset printing, digital, screen printing, pad printing and textile printing.

   - **CET INOUT HOSTEL.** Sale of catering services, rental of rooms for meetings and accommodation.

2. Donations to foundations that have the objective of training and labor integration of people with disabilities.

   - **Private Foundation Icaria Social Initiatives.** It supports the labor integration projects of our Special Work Centers and promotes training for access to them and the ordinary company.
